

**Thank you for downloading these materials.**

Slant System™ is an accredited training program designed to give teachers the knowledge and skill set to effectively deliver multimodal structured literacy instruction.

These materials were developed to support your knowledge and implementation of an Orton-Gillingham multimodal structured literacy approach.

Professional development opportunities in English language structure, the reading process, and Orton-Gillingham Structured Literacy through Slant System™ is available, including a 1:1 supervised practicum leading to expertise in the OG method. To gain in-depth knowledge and to develop effective instruction, two pathways to certification are available:

**Slant System™ Structured Literacy Classroom Teacher Certification**

**Slant System™ Structured Literacy and Dyslexia Specialist Certification**

**Slant System™ is knowledge + intervention!** The more knowledge educators have about language and reading, the better teachers of reading they will become.
